PETITION

Proposed location of the Adelaide Aquatic Centre

To the Lord Mayor and Councillors of the City of Adelaide,

We the undersigned, do hereby petition the Adelaide City Council to:

1. **Refuse to grant any lease to the State Government for a proposed new Aquatic Centre in Denise Norton Park / Pardipardinyilla (Park 2) or anywhere within the world-unique, National Heritage-listed Adelaide Park Lands;**

2. **Advise the State Government to choose an alternative near-city brownfield site for a new Aquatic Centre;**
   (Locating a major sporting/recreational/commercial facility on the Adelaide City Parklands immediately adjacent a residential precinct is not only unprecedented, but would set a dangerous precedent, encouraging other organisations including a State Government to seek to develop similar facilities in the parklands.)

3. **Petition the State Government to approve the long-delayed State Heritage listing of the Adelaide Park Lands, and support an application to UNESCO for World Heritage Listing.**
