5. JOIN US

The Adelaide Park Lands Association has four Park Lands strategies: [Explore, Inspire, Protect and Restore](#).

But we are only as strong as our members. To be effective at these strategies, we need YOUR support.

You are reading the non-members version of this newsletter - which means you are not (yet) a member.

If you were to become an APA member, you would then be able to book for any of our Guided Walks for free, and you would also unlock 15% discounts to all the merch in the APA Shop.

More importantly, your membership fee (as low as \$15 per year for a single concession) would be tangible support for our Park Lands strategies:
