

7. Police barracks .

In 2023, SA Police nominated this Park as the preferred site for a new 8-hectare barracks; plus stabling, garaging behind security fences. Two massive protests led to a backdown.

Proposed area of 8ha police barracks, including a Bush for Life site.

8. Lutheran Sports Club.

Sports fields host football, cricket, soccer, and frisbee. The fields are open for public use, when not in Club use.

9. Lundie Gardens

Laid out in 1915, the Gardens honour Labor activist and councillor Frank Lundie (1866-1933).

Over recent years, they have disappeared, as the area merged with the neighbouring playground.

10. Princess Elizabeth playground

Opened 1929. Still has original Edwardian-style shelter. Upgraded in 1960s, 1980s, 2014 & 2023.

Playground pictured in 1929

WHO ARE WE?

The Adelaide Park Lands Association is a community-based, non-profit organisation.

We help you **explore** with Guided Walks, and **inspire** you with art and images, as we **protect**, and **restore** Adelaide's unique, National Heritage-listed, irreplaceable garland of Park Lands.

Please join us as a member, to support our work and enjoy free participation in our regular Guided Walks

Adelaide Park Lands Association

EXPLORE

Golden Wattle Park / Mirnu Wirra (Park 21W)

2.2 km
Allow 90 mins.

This Trail Guide traverses traditional lands of the Kaurna people. We acknowledge and pay respect to the past, present and future traditional custodians and elders of this land.

1. Sir Lewis Cohen Avenue

Sir Lewis was Mayor of Adelaide seven times.
There is an unusual Brazilian Pepper tree on the corner.
The road separates Park 21 from this Park 21 West.

2. Diagonal pathway

Planted with elm trees in the 1920s, but replaced
with sugar gums in the 1930s.

3. Purple pipes

Since 2010, many parts of your Park Lands have been
irrigated with grey water pumped from Glenelg North
wastewater treatment plant through this Park.

4. Wattle grove

Disused since the 1930s, it once featured Australia's
first Anzac Memorial (1915) which was moved within the
Park in 1940 & again, in 2018, to Kintore Avenue.
Wattle trees were re-planted in 2022.

This Park's name means the same in English and in the
Kaurua language.

Wattle Day 1927 at this site

5. Bicentennial plaque

The site of a circus-like exhibition in 1988.

6. Bush for Life re-greening site.

Volunteers have re-vegetated this area since 2015.
70 plant species are now recorded here, as well as the
rare chequered copper butterfly.

Chequered copper butterfly and garland lily
